President's Message

Welcome to the Ivanhoe Harriers Handbook for season 2019-2020. We sincerely hope you enjoy the contents and trust that you find the information useful, particularly our wonderful history of Records.

Ivanhoe Harriers is a historic athletics club which competes in summer and winter competition arranged by Athletics Victoria.

Founded as St. James Harriers Ivanhoe by the Rev. Sydney Buckley in 1914, this cross-country running club later became known as Ivanhoe Harriers. Rev Sydney Buckley founded Ivanhoe Grammar School the following year, which fostered the very close relationship between Club and School over the next 105 years.

The Club enjoyed wonderful success during 1930's, 1970's and 1980's and has produced a large number of excellent athletes during its long history. Olympic Games representatives include Alf Watson, 1928 and 1936, Ian Campbell, 1980 and Gary Honey, 1980, 1984, and 1988. In addition, the Club has an amazingly good record in Victorian Championships and Victorian and Australian Records. The "All Time" rankings in this booklet are a worthwhile read for anyone interested in Australian Athletics.

We have an excellent Committee and have worked on many new initiatives. These initiatives have resulted in a large increase in junior numbers and improving results on the track. Last season our Under 18 boys team placed fourth of the best eleven Under 18 teams in the State Team Championships, a result we are proud of.

We have worked hard at rebuilding our historic relationship with Ivanhoe Grammar School. During the past 5 years the Club has been actively involved in coaching of athletics and cross country teams at the School.

This Cross Country season commenced in March with our All-comers 6k handicap race and has continued through the winter with many achievements. We won the Ekiden Relay and Albert Park 10k in our division with outstanding performances from the team. We finished second on the Ladder and are looking forward to next winter as we move up the rankings.

We have continued to grow our sponsorships which we value immensely. Miles Real Estate has supported the Club in its re-building phase, East Ivanhoe Foodworks, a family owned and operated independent supermarket located in East Ivanhoe village has been a great supporter and Aspect Underwriting, a family owned and run insurance business has sponsored the Club now for the last 2 years. This year we have been fortunate to increase

our corporate sponsorships with Edney Celebrations, a fully qualified celebrant business and Focus on Family, a family law practice. We are very proud of our sponsors and their involvement in the Club Family.

The newsletter of the Club is Cursus, which is our lifeblood and keeps us in touch with current and past membership. We hope to produce eight to ten editions each year. Make sure you are receiving your email copy of Cursus, let me know if you are not. If you wish to contribute an article please contact either David Burke or myself.

Official training is held on Monday and Wednesday afternoons at Chelsworth Park Ivanhoe East and, depending upon coaching availability, the Collingwood Track at Clifton Hill where we have training rights.

Chelsworth Park is very handy to Ivanhoe Grammar School where we also coach the School Cross Country Team and the School middle distance squad.

The Club is responsible for supplying officials each week which can be a rewarding experience for parents. Volunteers are always welcome for interclub and no experience is necessary, just speak to me should you be available to “hold a measuring tape” or record some performances during a Saturday afternoon.

Finally, I encourage all athletes to embrace the Club, enjoy the competition and improve your fitness and performances during the year.

Jeff Franklin
Club President.

Club Sponsors:

Ivanhoe Harriers gratefully appreciates the support from the above sponsors.

Scoring

For each event and specification, the Shield Scoring table specifies performance values associated with point scores from 100 to 600. If a performance is below the 100-point minimum performance, no points shall be awarded.

For each athlete, a maximum of the best four (4) individual event scores plus one (1) relay performance will contribute to the total club score.

ALL TIME RANKINGS AND CLUB RECORDS

Qualification times and distances for senior rankings correspond loosely to the current State qualifying standards. However, in some events the number of athletes exceeding or insufficient numbers reaching these standards, necessitates alterations to them.

Obviously some performances have not been included because either they were never recorded by the Club or they have not been brought to our attention.

Would anyone knowing of performances that should be included or who are holding results that may have performances suitable for inclusion, please inform me so this listing can be brought up to date.

Athletics Victoria - Code of Healthy Behaviour

Athletics Victoria understands the harmful effects of smoking on health, fitness and performance and the importance of a healthy diet and regular exercise in sport.

As a result the following Code of Healthy Behaviour has been adopted:

- * PARTICIPANTS are reminded of the importance of healthy eating to their performance at training and in competition.
- * COACHES, OFFICIALS & ADMINISTRATORS are reminded of their responsibilities as "role models", particularly with juniors, and are asked to endorse healthy lifestyle issues by exercising regularly, eating healthy foods & refraining from smoking.
- * COMPETITION, TRAINING VENUES & CLUB ROOMS must be declared "Smoke Free Zones".
- * CANTEENS at competition and training venues are to provide a range of healthy foods and drinks including fruits, 100% orange juice and salad sandwiches.
- * CLUB FUNCTIONS should be conducted in such a manner as to promote responsible use of alcohol and the provision of healthy foods.
- * SPECTATORS are reminded that smoking is inappropriate behaviour in a sporting environment and are asked to respect our code of behaviour.

By-Laws

The By-Laws of the Ivanhoe Harriers are contained within our Constitution. A condensed version of our standards of behaviour, code of conduct, protection of children and dispute resolution are included below.

Code of Conduct

The Code of Conduct of the Club requires every member to;

- comply with the provisions of the Constitution, Rules and By-Laws;
- be ethical, fair, and honest in their dealings with others;
- treat other members with respect and courtesy and have proper regard for their dignity, rights and obligations;
- always place the safety and welfare of children above other considerations;
- operate within the relevant rules and spirit of athletics;
- comply with Australian laws (both Federal and State) , particularly anti-discrimination and child protection laws;
- be responsible and accountable for their conduct.

Protection of Children

The Club is committed to the safety and wellbeing of all children and young people accessing its services. The rights and safety of members and maintaining a child safe environment is acknowledged. The Club will endeavour to protect the ongoing safety and welfare of children by;

- ongoing review of child protection practices and strategies to minimise or prevent risk of harm to children caused by the actions of members or others;
- monitoring performance under the Code of Conduct outlined in these By-Laws;
- ensuring that all reasonable steps are taken to engage the most suitable and appropriate people to work with children. Such measures include obtaining working with children checks for members and any volunteers working with children;

- where possible, ensuring that members and any volunteers working with children are assisted with supervision, support and training in order to promote the maintenance of a child-safe environment;
- encouraging the involvement and participation of young people in the maintenance of child safe environments;
- ensuring that members and any volunteers are aware of their responsibilities under State laws if they have suspicion, on reasonable grounds, that a child has been or is being abused or neglected.

Members under the age of 16 must be supervised at all times by a responsible adult. The Club endeavours to provide a level of supervision adequate and relative to the member's age, maturity, capabilities, level of experience, nature of activity and nature of venue. If a member finds a member under the age of 16 unsupervised, the member should assume responsibility for the safety of the under aged member until the parent, guardian or supervisor can be found.

The Club expects parents to collect their children from training and/or competition in a timely fashion. In the event of a member being left alone with just one child at the end of a training session, that member should, if possible, request another member to also remain until the child is collected.

Where the Club arranges transport of children to or from activities or trips away, relevant driver(s) must satisfy the Association of current insurance of the vehicle, current drivers licence and working seatbelts in the vehicle.

Images of children cannot be used inappropriately or illegally. The Club endeavours at all times to comply with Athletics Victoria Photography Policy and requires that members, where possible, obtain permission from a child's parent or guardian before taking an image of a child to ensure that consent for the usage of the image has been granted. In this regard, camera phones, cameras and videos are not permitted inside showers, toilets or change rooms.

Where the Club uses an image of a child, no additional information such as address, email address, telephone numbers or other personal information can be displayed without the consent of parent/guardian.

The Club opposes all forms of harassment, discrimination and bullying. This includes treating or proposing to treat someone less favourably because of a particular characteristic; imposing or intending to impose an unreasonable requirement, condition or practice which has an unequal or disproportionate effect on people with a particular characteristic; or any behaviour that is offensive, abusive, belittling, intimidating, or threatening, whether this is face-

to-face, indirectly via communication technologies such as mobile phone or computer. Some forms of harassment, discrimination and bullying are against the law and are based on particular characteristics such as age, disability, gender, sexual orientation, pregnancy, political or religious beliefs, race and marital status.

The Club takes all claims of harassment, discrimination, bullying and cyber bullying seriously. Any member who believes they have been harassed, discriminated against or bullied should raise the issue with a member of Committee.

Inclusion Policy

The Club welcomes all members of the community, regardless of their abilities. To the extent possible, people with disabilities will be encouraged to participate in both playing and non-playing roles .

The Club will endeavour to be as accessible as possible having regard to ability of the individual, the type and standard of competition and the capacity of the Club to make modifications that promote inclusion.

Complaints

Any complaint received by the Club will be treated as a serious matter and will be promptly handled based on procedural fairness. Both complainant(s) and respondent(s) will be interviewed by the President and one other member of the Executive with a report back to Committee as appropriate.

The complaint will be analysed and where possible, the parties will be encouraged to discuss and agree a solution. If the complaint relates to suspected child abuse, sexual assault or other criminal activity, the Club will report the matter to police.

The Complainant may decide to treat the matter either formally or informally, in any event all complaints are to be dealt with promptly, seriously, sensitively and confidentially. The Club will assist with the resolution process which may involve:

- supporting the complainant;
- encouraging formal or informal mediation between the parties;
- collection of further information about the matter;
- seeking advice from third party authorities such as Athletics Victoria, community mediation, anti-discrimination agency or police;

Club Records

A Club Record is one made by a member of the Club in bona fide competition under the jurisdiction of Athletics Victoria Inc. or other IAAF affiliates.

Under-age records shall be established by a competitor who has not attained the age on the date of the performance.

For relay teams all team members must be under the appropriate age on the day on the performance.

Implements and specifications for record purposes shall be those prescribed from time to time by Athletics Victoria Inc.

Conditions under which records shall be recognised shall be according to the Rules of Athletics Victoria Inc., but at the discretion of the Committee, particular requirements may be waived in some cases.
